Mandatory Internship in the Strategic Purchasing for Turned Parts

Job Description

- During your internship you will become part of our team and support us from the request of quotations until the final awarding of new business.
- You will have the chance to help the buyers to prepare and participate in annual price negotiations and support in contract creation.
- Using your analytical skills, you will contribute to procurement market research (scouting activities) and incorporate the results into the global parts family strategy.
- Furthermore, you will be responsible for maintaining and updating data in our Supplier Relationship Management Tool or SAP.
- Finally, you will provide support within a supplier- or part-specific relocation project and gain experience in project management in an international environment.

Qualifications

- **Education:** studies in the field of Industrial Engineering, Mechanical Engineering, Business Administration, Economics or comparable
- **Experience and Knowledge:** confident use of MS Office; initial experience in SAP
- **Personality and Working Practice:** you excel at clearly expressing ideas, collaborating effectively with others, staying highly motivated to learn new skills, and working independently
- **Work Routine:** the position can be filled at our location in Elchingen or in Stuttgart
- **Languages:** very good in English and good in German

Additional Information

Start: according to prior agreement
Duration: 6 months (confirmation of mandatory internship required)
